Dear Mark

MARCH 25, 1998

MR WEISBERG,

BEFORE GOING ANY FURTHER I MUST SAY, 'THANK YOU, SIR!' 'THANK YOU FROM ALL ASSASSINATION RESEARCHERS AND BUFFS EVERYWHERE.' WITHOUT YOUR BOOKS AND RESEARCH MANY PEOPLE WOULD PROBABLY STILL BELIEVE IN THAT GREAT WORK OF FICTION THE WARREN COMMISSION REPORT. AND SPEAKING OF GREAT WORKS OF FICTION THANK YOU FOR CASE OPEN. I DON'T KNOW WHICH IS BETTER FICTION READING, THE COMMISSION REPORT OR CASE CLOSED. I AM SORRY TO ADMIT I SPENT 25.00 TO PURCHASE THAT PIECE OF TRASH. AFTER READING CASE CLOSED I THOUGHT MAYBE IT WAS TIME THAT I WROTE TO AN AUTHOR FOR THE FIRST TIME, BUT DECIDED NOT TO WASTE A STAMP ON A FICTION WRITER. I DID WANT TO WRITE TO GERALD POSNER JUST TO TELL HIM WHAT A CROCK HIS BOOK WAS AND HOW MAD I GOT READING IT, KNOWING THAT THIS JOKER REALLY BELIEVES WHAT HE WROTE. I NEVER DID WRITE TO HIM AND DECIDED THAT THE FIRST AUTHOR I WOULD EVER WRITE TO WOULD BE YOU.

YESTERDAY (MARCH 24, 1998) I WATCHED 48 HOURS ON CBS-TV, THE TOPIC BEING THE ASSASSINATION OF MARTIN LUTHER KING JR. AND WHO SHOULD APPEAR BUT OUR HERO GERALD POSNER, PLUGGING A NEW BOOK AND EXPOUNDING HIS THEORIES ON THIS KILLING.

And once again not having any idea of what he was talking about. The sad part was he was being interviewed by another lone gunman believer, Dan Rather. If this isn't a farce I don't know what is. Mr. Rather has admitted in interviews that John Kennedy and Martin Luther King, Jr were killed by Lee Harvey Oswald and James Earl Ray, respectively, in his opinion.

I am forty one years old and have been reading and studying as much as I can on both these assassinations for the last twenty years and I firmly believe there were cover-ups and conspiracies involved in both murders, starting, at very high levels in our government, at the time of these assassinations, and continuing through the present. I lived in Memphis, Tenn. from 1993 to 1995 and worked fifteen minutes from the Lorraine Motel. I made many trips to that motel in these two years and after seeing the rooming house and the motel, taking many pictures, and looking at books with pictures of that area during the time of King's assassination, I believe with all my heart that no shot came from that rooming house window. Ray did not do the shooting, and the shot came from the bushes below the rooming house.

I have read William Pepper's book 'Orders to Kill' and feel it was well researched and has made a very valid statement in proving a conspiracy in the killing of Martin Luther King Jr. That brings me to the most important point in writing to you.

I have read your books Case Open and Selections from Whitewash. These are probably two of the best written and researched books on the JFK assassination. I've read and have seventy five to one hundred books and articles on both of these assassinations, but mainly JFK books. I'm sorry to say that I've only read two of your books and I would like to begin to remedy this situation right now. I would like to know how to purchase some of your books from you and would like to first purchase Martin Luther King: The Assassination and Photographic Whitewash: Suppressed Kennedy Assassination Pictures. Please let me know how I would go about receiving these books and eventually all of your books. I hope to hear from you soon and I want to thank you for taking time to read this letter but most importantly Thank You for all you have done in the area of assassination research and all you have done to make all of us aware of the underhanded tricks and ploys that our government has been using

and employing all these many, many years.
With all you have published, just maybe someday
they will be strong enough and honest enough
to let the American public know the truth and
if not we have you.

Thank you again,

Sincerely yours
